

VIRTUAL EDITOR WORKSHOP INVITE

Questions answered about getting your journal indexed and increase its impact and visibility

21st July 2020 10:00-12:00

Are you looking into ways how to improve your scholarly journal? What areas of improvement are you looking at and what are the challenges to be overcome? Do you have sufficient information to professionally manage your journal?

Join a virtual editor workshop that aims to understand your challenges and provide relevant information that will help you in indexing your journal in Scopus, understand how visibility and impact can be raised, and will look into bibliometric measurements of journals.

QUESTIONS ANSWERED ABOUT GETTING YOUR JOURNAL INDEXED AND INCREASE ITS IMPACT AND VISIBILITY

Date: 21.7.2020 10:00-12:00 (CET)

Program:

- Challenges for journal editors (share your view)
